

Shardalow May Be New Boy Scouts' Secretary

Friends of Dan Shardalow are boosting him for the position of Field Secretary of the Boy Scout's work in this city. Mrs. Shardalow has already served with distinction as Scoutmaster in Dayton, and his perfect work along Boy Scout lines has commended him to the committee having charge of the work of selection a new Field Secretary.

He is one of the most active of the applicants for the position and his competency and equipment for the position is being strongly urged in Shardalow's behalf.
